FIH Preparations and Host Setup

Did you feel well prepared coming into
the tournament? If not, what would have
helped to make you feel prepared?

Which are the 3 most important areas of
your tournament preparation?

UM Feedback - Communication Before the Tournament

The UM communicated effectively prior
to the tournament (consider how the UM
team used email and text messaging to
communicate to you and the umpiring
team)

The UM clearly communicated
expectations for the tournament

The UM encouraged questions and
discussion prior to the tournament

The UM communicated effectively
before the tournament relating to
logistics like transportation and per
diems

The UM effectively used technology to share videos, and highlight key discussion points (Using CoachLogic, VR, etc.)

The presentation of the briefing helped me to feel prepared for the tournament

Please include any comments you would like to share about communication prior to the tournament. Please highlight things that the UM did well and areas for improvement:

UM Feedback - Feedback During the Tournament

Feedback following matches was delivered in a timely way

Feedback provided during the event was clear and applicable

Feedback provided during the event was consistent (Advice from UM was aligned rather than contradictory)

There were opportunities to seek clarification if I didn't understand feedback

The UM effectively used technology to share videos, and highlight key discussion points during the event (Using CoachLogic, VR, etc.)

The UM managed and communicated the appointments in a fair manner

My tournament report was consistent with the feedback I received during the event

Please include any comments you would like to share about feedback during the tournament. Please highlight things that the UM did well and areas for improvement:

UM Feedback - Developing and Supporting the Umpiring Team

The UM encouraged umpires to learn from one another

The UM effectively supported the different needs within the umpiring team

Please include any comments you would like to share about how the UM supported the umpiring team. Please highlight things that the UM did well and areas for improvement:

UM Feedback - Overall Tournament Experience

The UM made a positive contribution to my performance at the tournament

Please include any comments you would like to share about the UM contributions overall. Please highlight things that the UM did well and areas for improvement that have not already been covered in the form:

Individual and Group Performance Feedback

What are the most important points for you for a perfect game preparation?

Did the officiating team live up to the expectation and standard of the FIH?

What, if any, was the biggest challenge that the officiating team had to overcome?

What specific area do you feel that the officiating team could have performed better in, if any?

What specific area do you feel that the officiating team performed particularly well in, if any?

Please share any final remarks and personal feedback
