- d The offending player leaves the field immediately; if he / she interferes with play on their way to the designated suspension area the Umpire may further penalise the player in accordance with the Rules of Hockey.
- e The 2 minutes temporary suspension starts when the player is seated in the designated area.
- f Timing of the suspension is controlled by a Technical Official on duty.

APPENDIX 2

TWO POOL COMPETITION PLAN AND RANKING

1 PLAN OF THE COMPETITION

- 1.1 There will be two pools, each comprising half of the number of the participating teams. Should the numbers be uneven, one of the pools will comprise one more team than the other.
- 1.2 The two pools will be composed as follows based on their FIH World Ranking as at 22 January 2024.

Pool A	Pool B
1	2
4	3
5	6
8	7
9	10
12	11

2 RANKING IN THE POOLS

- 2.1 In each pool, all the teams will play against each other, and the following points will be awarded for each match :
- three points to the winner;
 - one point to each team, in the event of a draw;
 - no points to the loser.
- 2.2 In each pool, teams will be ranked according to the number of points each has accumulated in the competition.
- If at the end of the pool matches two or more teams have the same number of points for any place in a pool, these teams will be ranked according to their respective number of matches won.
 - If there remains equality among two or more teams, then these teams will be ranked according to their respective goal difference (which means goals for less goals against). A positive goal difference always takes precedence over a negative one.
 - If there still remains equality among two or more teams, then these teams will be ranked according to their respective number of goals for.
 - Should there still remain equality among two teams, then the result of the match played between those teams will determine the ranking of the tied teams.
 - If more than two teams are involved, then a ranking based upon the results of the matches among (only) them shall determine their respective position, based upon the points awarded in accordance with paragraph 2.1 of this appendix. If there remains equality, then

the teams involved shall be ranked according to paragraphs 2.2.a, b, c, and d of this Appendix.

- f If there still remains equality among two or more teams, then these teams will be ranked according to the number of field goals scored in the pool matches.
- g Should there still remain equality among two teams, then the ranking will be determined by a shoot-out competition between those teams (for details see Appendix 3 of these Regulations).
- h If more than two teams are involved, then each team will play a shoot-out competition against the other teams in the same sequence of play as the match schedule of the competition, in accordance with Appendix 3 of these regulations but with one round of 5 shoot-outs only to be taken compulsorily by each team.
- i A ranking will then be established based upon the results of the round of the shoot-out competition only, with the award for each play of 3 points to the team having scored the highest number of goals, 1 point to each team having scored an equal number of goals and 0 points to the team having scored the lowest number of goals.
- j If equality remains then teams having an equal number of points shall be ranked according to paragraphs 2.2.a, b, c and d as applied to goals recorded during the shoot-out competition.
- k If an equal position of three (or more) teams still remains thereafter, then the same procedure shall be repeated until the teams can be ranked. The Technical Delegate shall make a draw to take place to establish each sequence of play if such further rounds of shoot-outs are required.

3 CLASSIFICATION MATCHES

- 3.1 The quarter-finals will be as follows although the matches will not necessarily be played in this order:

1 st Pool A	v	4 th Pool B	Match 1
2 nd Pool B	v	3 rd Pool A	Match 2
2 nd Pool A	v	3 rd Pool B	Match 3
1 st Pool B	v	4 th Pool A	Match 4

The winners of these matches will play for 1st to 4th places.

- 3.2 The semi-finals will be as follows although the matches will not necessarily be played in this order:

Winner Match 1	v	Winner Match 2
Winner Match 3	v	Winner Match 4

The winners of these matches will play for 1st and 2nd places (gold and silver medals) and the losers will play for 3rd and 4th places (bronze medal)

- 3.3 The score at the end of the regulation time of any match will be registered by FIH as the result of the match.

- 3.4 If at the end of the regulation time the result of a classification match is a draw, in order to establish an outright winner of a classification match for the purpose of the competition, a shoot-out competition as specified in Appendix 3 will be played to establish the winner of the match.
- 3.5 The teams that finish 5th in their respective pools will be ranked 9th and 10th; and the teams that finish 6th will be ranked 11th and 12th. The ranking will be determined as follows.
- a The teams will be ranked according to the number of points gained in the pool matches
 - b If there remains equality, the teams will be ranked according to the number of matches won
 - c If there still remains equality, the teams will be ranked according to their respective goal difference (which means goals for less goals against). A positive goal difference always takes precedence over a negative one.
 - d If there still remains equality, the teams will be ranked according to their respective goals for.
 - e If there still remains equality among two or more teams, then these teams will be ranked according to the number of Field Goals scored in the pool matches.
 - f Should there still remain equality, then the ranking will be shared equally.
- 3.6 The teams that lose the quarter-finals will be ranked 5th – 8th according to the position that they finish in their respective pools. Where two teams finish in the same position in their respective pools the ranking will be determined as follows.
- a The teams will be ranked according to the number of points gained in pool matches
 - b If there remains equality, the teams will be ranked according to the number of matches won in the pool matches.
 - c If there still remains equality, the teams will be ranked according to their respective goal difference (which means goals for less goals against) in the pool matches. A positive goal difference always takes precedence over a negative one.
 - d If there still remains equality, the teams will be ranked according to their respective goals for.
 - e Should there still remain equality among two teams, then the result of the match played between those teams in the pool, if applicable, will determine the ranking of the teams.
 - f If there still remains equality among two or more teams, then these teams will be ranked according to the number of field goals scored in the pool matches
 - g If there still remains equality, the teams will be ranked on their combined performance in pool and quarter final matches based upon a, b, c, d and f above. If a team loses its quarter-finals in a shoot-out competition, it will be deemed to have been awarded 1 point as the score would be equal at the end of regulation time.
 - h Should there still remain equality, then the ranking will be shared equally

APPENDIX 3

SHOOT-OUT COMPETITION

In a shoot-out competition, five players from each team take a one-on-one shoot-out alternately against a defender from the other team as set out in this Regulation. The shoot-out competition comprises all series of shoot-outs required to determine a result.

The following sets out both the playing Rules and the procedures to be followed.

- 1 The respective Team Managers provide five players to take and one player to defend the shoot-outs from those on the Match Report (C73A) except as excluded below. A player nominated to defend the shoot-outs can also be nominated to take a shoot-out. No substitutions / replacements are permitted during the shoot-out competition other than as specified below
- 2 The players taking and defending the shoot-outs will be entered on to the Shoot-Out form (C73B) by the Technical Officials on duty.

- 4 A player who is still serving a disciplinary suspension by the Technical Delegate at the time the shoot-out competition takes place or has been excluded permanently (red card) during the match which leads to the shoot-out competition, cannot take part in that shoot-out competition. A player who has been warned (green card) or temporarily suspended (yellow card) may take part in the shout-out competition even if the period of their suspension has not been completed at the end of the match.
- 5 The FIH Chief Executive Officer or his designee will specify the goal to be used and this will be advised at the Event Briefing meeting.

- 20 Any replaced player (defender or attacker) takes no further part in the shoot-out competition.
- 21 If an equal number of goals are scored after each team has taken five shoot-outs:
- a a second series of five shoot-outs is taken with the same players, subject to the conditions specified in this Appendix;
 - b the sequence in which the attackers take the shoot-outs need not be the same as in the first series;
 - c the team whose player took the first shoot-out in a series defends the first shoot-out of the next series;
 - d when one team has scored or been awarded one more goal than the opposing team after each team has taken the same number of shoot-outs, not necessarily being all five shoot-outs, that team is the winner.
- 22 If an equal number of goals are scored after a second series of five shoot-outs, additional series of shoot-outs are taken with the same players subject to the conditions specified in this Appendix:

- j Breach of the FIH Media Policy

- k Public criticism of, or inappropriate public comment in relation to an incident occurring in an *International Match* or any *Participant* or team participating in any *International Match* or *FIH*, generally, irrespective of when such criticism or inappropriate comment is made.
- l Where the facts of the alleged incident are not adequately or clearly covered by any of the above offences, conduct that either is contrary to the spirit of the game or brings the game into disrepute.
Note: Article 2.2 l is intended to be a 'catch-all' provision to cover any type of conduct of a minor nature that is not, and because of its nature cannot be, adequately covered by the specific offences set out elsewhere in the *Code of Conduct*.

The following factors are indicative of language or a gesture being serious:

- (i) Whether the language or gesture was excessive and/or orchestrated
 - (ii) Whether the language or gesture could have caused or did in fact cause a reaction from the Participant or other person
- b Serious public criticism of, or inappropriate public comment in relation to an incident occurring in an *International Match* or any *Participant* or team participating in any *International Match* or *FIH*, generally, irrespective of when such criticism or inappropriate comment is made.

Note: This is intended to prevent the manipulation of *Matches* for inappropriate strategic or tactical reasons (such as when a team deliberately loses a pool *Match* in an *International Event* in order to affect the standings of other teams in that event). It is not intended to cover any corrupt or fraudulent acts (including any use of inside information and / or related betting activity). Such conduct is prohibited under the FIH Integrity Code and the Olympic Movement Code on the Prevention of the Manipulation of Competitions and must be dealt with according to the procedures set out therein.

Note: Includes appealing in an aggressive or threatening manner.

- e Threat of assault or physical assault (without injury) on a *Participant* or any other person.

Note: This offence is not intended to cover threats of assault, which are prohibited under Article 2.4, ie where directed at an Umpire or Technical Official.

A threat of assault includes gestures which would reasonably cause a Participant or any other person to be in fear of physical harm or offensive contact.

Physical assault refers to intentional or reckless physical contact with a Participant or any other person, whether by using fists, feet or equipment (including but not limited to a hockey stick or hockey ball).

- f Where the facts of the alleged incident are not adequately or clearly covered by any of the above offences, conduct that is either contrary to the spirit of the game or brings the game into disrepute

Injury includes bruising.

An act of violence includes the causing of deliberate physical harm to any person, whether *Participant*, or other person. Kicking, punching, or fighting would be considered to be acts of violence. APPENDIX 5

FIH CODE OF CONDUCT – GUIDELINES TO TECHNICAL DELEGATES ON PROCESS FOR HEARING AND DETERMINING ANY REPORTED OFFENCE

1 THE REPORT

All reports of any offence against the FIH Code of Conduct shall be made to the Technical Delegate.

The Technical Delegate is to determine the level of the offence.

A report can be received by the Technical Delegate from any person but if received later than 24 hours after the occurrence of the conduct said to constitute the offence the Technical Delegate must exercise a discretion to accept such a report. That discretion is to be exercised taking into account the seriousness of the reported behaviour and the reason for the delay in making the report.

2 PRINCIPLES OF NATURAL JUSTICE

Principles of natural justice apply in the following way.

The Technical Delegate will advise the Team Manager of

- the fact of the report of an offence;
- the identity of the team member(s) reported;
- the level of the offence;
- the time and place of the hearing;
- details of the conduct and the mode of proof of it;
- if the report was received later than 24 hours after the occurrence of the conduct said to constitute the offence the Technical Delegate must state the reasons for the exercise of the discretion to accept the report. No appeal from the exercise of that discretion is available.

3 THE HEARING

The Technical Delegate must chair the meeting (subject to delegation for reason of conflict of interest).

The hearing must be attended by the person the subject of the report and the Team Manager (in addition the person the subject of the charge may be assisted by an interpreter).

The Technical Delegate must outline the evidence relied on to support the report including showing any video footage that may be available

The team member is to be asked for her / his response to the report, ie do they accept the offence charged or not. The team member must be permitted to present material as to either or both of the fact of the offence or penalty.

Should the person who is the subject of the report fail to attend the hearing, the hearing shall take place in the absence of that person and the fact of the failure to attend shall be taken into account in the determination of the appropriate penalty in the event that an offence is found to have been committed.

4 THE DECISION

The decision should be in writing and read to the person the subject of the report by the Technical Delegate (through an interpreter if necessary). It should deal (at least) with the following matters:

- a whether or not the team member accepts the breach of the Code of Conduct;
- b if the team member does not accept the breach, a finding as to whether a breach has occurred and why.

Should it be found (or agreed) that an offence has been committed either the minimum penalty will be imposed or, at the entire discretion of the Technical Delegate, a greater penalty. If a greater penalty is being considered then:

- a the disciplinary history of the team member;
- b the attitude of the team member at the hearing;
- c any penalty already incurred, eg if a card was given during the match the length of time of any suspension served under that card;
- d the seriousness of the offence by comparison with other offences at this level

Will be taken into account by the Technical Delegate in imposing a greater penalty and details of which will be set out in the written decision.

5 DEFINITION OF THE PENALTY

A clear definition of the penalty will include:

- a the number of matches for which the team member is suspended;
- b the date of commencement of the suspension;
- c a statement whether, in the view of the Technical Delegate, any additional period of suspension or other penalty to take effect beyond the conclusion of the tournament should be imposed or may be appropriate; and, if so:
 - i a statement that the decision to impose any further suspension or penalty is referred to the FIH Chief Executive Officer for further consideration by the FIH Disciplinary Commissioner; and
 - ii a summary of the Technical Delegate's reasons that may justify the imposition of an additional suspension or other penalty.

APPENDIX 6

LATE ATHLETE REPLACEMENT POLICY FOR THE GAMES OF THE XXXIII OLYMPIAD PARIS 2024

This policy will apply to athletes of National Olympic Committees (NOCs) attending the Olympic Games Paris 2024.

The deadline for the Final Entries list of participating athletes in the Olympic Games Paris 2024 (sport entries deadline) is 8 July 2024 at 23:59 Central European Summer time (Paris time, UTC+1).

After the sport entries deadline, where there are medical conditions preventing participation of an athlete, proven Anti-Doping Rule Violation (ADRV), or other exceptional reasons, the IOC, after consultation with the relevant IF and IOC medical experts (when deemed appropriate by the IOC), may authorise a permanent replacement of an athlete by another athlete only in the same sport and discipline and event.

This policy is only applicable for those sports/disciplines where the quota place has been allocated to the NOC and not to an athlete by name.

For those sports/disciplines in which the quota place is allocated to an athlete by name please note that the reallocation procedure will be initiated as per the Late Athlete Replacement detailed Annex by discipline and in accordance to the respective Qualification System.

Late Athlete Replacement (LAR) is possible only provided that:

The replacement athlete meets the eligibility conditions and qualification criteria to take part in the Olympic Games, as stipulated in the "Qualification Systems - Olympic Games Paris 2024" per sport/disciplines published in 2022, and regularly updated by the IOC on the NOC Games Preparation Platform;

The NOC of the replacement athlete had applied successfully for accreditation for the athlete prior to the accreditation application deadline and thus, the replacement athlete has been registered by Paris 2024 in the "NOC's athlete Accreditation Long List";

No doping control issues are pending concerning the replacement athlete; and

In addition, the steps outlined below must be followed and the required forms submitted within the timeframe stated in this policy.

The "Late Athlete Replacement Application Form" and "Sport Entry Form" (electronic forms) must be completed and a valid medical certificate and supporting document for the replaced athlete must be submitted by the relevant NOC, for the athlete being replaced and the replacement athlete using the e-LAR tool in the Sport Entries System (SEQ).

The "Conditions of Participation" including the "Parental/ Legal Guardian Acknowledgement of Consent for Minors" form (if applicable) must be completed and submitted by the relevant NOC for the replacement athlete. The NOC must submit a scanned copy of the "Conditions of Participation" electronically and bring the original, signed and stamped to the Accreditation Centre in the Olympic Village Team Processing Centre.

The IOC and the relevant IF may make a LAR, subject to their joint consent and at their discretion.

The latest a Late Athlete Replacement may occur and must complete is no later than the first Team Manager's Meeting/Technical Meeting for the respective sport/discipline. This is subject to sport specific regulations. The deadlines will be outlined by discipline in the Late Athlete Replacement detailed Annex by discipline.

ALTERNATE ATHLETES (Ap)

As per the "Accreditation at the Olympic Games - Detailed specifications" NOCs can activate an alternate athlete (Ap) in the following sports and disciplines: Artistic Swimming, Athletics, Cycling - BMX racing, Cycling - Track, Equestrian, Fencing, Handball, Hockey, Football, Rowing, Rugby, Table Tennis, Volleyball and Water polo (TBD).

All Ap athletes need to be identified at the time of the final Entries Submission. In addition, before the sport specific deadlines set in Late Athlete Replacement Detailed Annex by discipline, the NOCs have the possibility to either activate their Ap athlete(s) or to use a replacement from the long list and be in a position to appoint another Ap athlete. To replace an Ap athlete the LAR process using the e-LAR tool as described above is applicable.

Once competition has started, the activation of the Ap athlete has to follow the same e-LAR process as above and adhere to the timelines stipulated in the Late Athlete Replacement detailed Annex by discipline.

All documentation and queries regarding the LAR should be addressed to Paris 2024 Sports Entries through the e-LAR tool or in person at the Sport Entries Office in the NOC Services Centre.

Please note that applications with missing information will not be processed.

This policy is subject to further change by the IOC for exceptional circumstances.

PROVISO

Changes to the (Ap) Athletes, 3 (three) in number, one being a goalkeeper, will be allowed until the Event Briefing Meeting prior to the start of the Hockey competition, scheduled to take place on Friday 26 July 2024.

LAR process from Event Briefing meeting to the start of the Hockey Final

- For each match, if an NOC wishes to make a replacement in their matchday squad of 16 due to illness or injury, they will need to use the eLAR tool in the Sport Entries System (SEQ) and provide supporting documentation for why the athlete is being replaced.
- The eLAR replacement request must be submitted a minimum of 2 hours prior to the start of their next match and will be reviewed by an FIH Medical Officer and Technical Delegate.
- If the replacement is approved, the Matchday squad must then be submitted through TMS no less than 1 hour prior to the start of each match.

- If during the tournament a replaced athlete recovers from their injury/illness and the NOC wishes to bring them back into a matchday squad of 16 for a later match, they will again need to use the eLAR tool in the Sport Entries System (SEQ). There are 2 different scenarios depending on who they are replacing in the squad of 16:
 1. If they are replacing the athlete who previously replaced them then no supporting documentation is required.
 2. If they are replacing a different athlete, then the normal LAR process will need to be followed and supporting evidence provided for why the new athlete is being replaced.
- The eLAR replacement request to bring back the recovered athlete must be submitted a minimum of 2 hours prior to the start of their next match and will be reviewed by an FIH Medical Officer and Technical Delegate.
- If the replacement is approved, the Matchday squad must then be submitted through TMS no less than 1 hour prior to the start of each match.

APPENDIX 7

UNIFORM AND EQUIPMENT ADVERTISING – IOC CHARTER, RULE 50

The IOC *Guidelines Regarding Authorised Identifications* apply to this competition. The following are extracts from the Guidelines and their application to Hockey but it must be noted that the Guidelines apply in full. National Olympic Committees have been sent copies of Rule 50 and its application to all Sports by the IOC.

INTRODUCTION

The prohibition of any advertising and publicity in and above Olympic sites (as expressed in the Olympic Charter) is one of the aspects that differentiate the Olympic Games from other international events.

This is reflected in particular in Bye-Law to Rule 50 1 of the Olympic Charter as follows:

No form of publicity or propaganda, commercial or otherwise, may appear on persons, on sportswear, accessories or, more generally, on any article of clothing or equipment whatsoever worn or used by the athletes or other participants in the Olympic Games, except the identification [...] of the manufacturer of the article or equipment concerned, provided that such identification shall not be marked conspicuously for advertising purposes.

Placing the national and Olympic identity of athletes at the forefront helps to further distinguish the Olympic Games, whilst respecting the significant contribution that sporting goods manufacturers provide.

The International Olympic Committee (IOC) is therefore pleased to present the Guidelines regarding Authorised Identifications for the Games of the XXXIII Olympiad, Paris 2024.

These Guidelines provide guidance on how Olympic Charter Rule 50 is to be implemented, in particular but not limited to (i) as to when an identification is “marked conspicuously for advertising purposes” (and hence prohibited), (ii) which types of identifications are allowed, (iii) where such identifications may be placed and (iv) how many times such identifications may appear. These rules apply to all the athletes, officials and other accredited persons within the Olympic Games venues and sites.

These Guidelines are not intended to restrict or otherwise impair new, innovative technological design features of Items (as defined below) if these are in conformity with the rules and regulations applicable for the sports concerned, the Olympic Charter and these Guidelines. Notwithstanding the above, these Guidelines are to be used subject to the understanding that:

- (i) in case of contradictions between these Guidelines and Rule 50 of the Olympic Charter, the latter shall prevail;
- (ii) the IOC Executive Board shall be the sole authority to finally determine whether the use of a name, designation, trademark, logo or any other distinctive sign complies with the Olympic Charter and these Guidelines; and
- (iii) the IOC reserves the right to further interpret and / or supplement these Guidelines in order to help ensure that the spirit and purposes of Rule 50 are respected.

GENERAL PRINCIPLES

An *Authorised Identification* may only be used in compliance with the terms of the Olympic Charter, the present Guidelines or as further approved in writing by the IOC.

The IOC reserves the right to prohibit the use of any *Authorised Identification* on any given *Item* in order to ensure the spirit of the principles of the Olympic Charter and these Guidelines are respected.

Unless specifically mentioned otherwise hereinafter (in particular in the *Sport Specific Implementation* section) or unless otherwise indicated in writing by the IOC, the following general principles shall apply:

- No use of any *Identification of the Manufacturer* may be made in a conspicuous way and no *Item* may be used for advertising purposes. An *Item* is in particular considered to be used for advertising purposes when the identification on such *Item* is not in relation to sport or is only featured or used for the purpose of conspicuous exposure during the *Olympic Games*.
- No identification other than an *Authorised Identification* may appear on any *Item*.
- Only one *Identification of the Manufacturer* per *Item* shall be permitted.
- Where the *Identification of the Manufacturer* is not a *Sports Brand*, such identification shall not be permitted, except for *Clothing*, for which the *Identification of the Manufacturer* may be that of a *Clothing Brand*.
- Participants must refrain from contributing to or participating in any conspicuous advertising within Olympic venues and sites, and in particular on the field of play.

APPENDIX 8

CONTINGENCY PLANNING CONCERNING COMPETITION SCHEDULE

3 BACKGROUND

This Appendix intends to guide decision making and identify potential thresholds in the event of a delay, postponement or cancellation, rather than provide solutions to all possible eventualities. It will enable FIH, Paris 2024 and the IOC to assess the potential course of action to be taken if any of the broad scenarios introduced below occur.

- 1.1 **DELAY** - A delay may occur if a competition does not start as scheduled but should start within the current session timing. The new start time is unknown. If the delay exceeds the current session timing, the status will be changed to postponed, rescheduled or cancelled.
- 1.2 **INTERRUPTION** - A competition may be subject to an unplanned interruption after it has started. Depending on the sport rules and regulations, competition will be restarted or resumed. The time of restart is unknown. If the competition cannot be completed within the current session, the status will be changed to postponed, rescheduled or cancelled.
- 1.3 **POSTPONEMENT** - A competition did not start as scheduled and has been postponed to a later event session. At the time of postponement, the new date and start time is unknown. Once the new date and time are known, the status will subsequently be changed to rescheduled or cancelled.
- 1.4 **ADVANCEMENT** - Advancement refers to a session having to be brought forward in anticipation of factors that may impact the competition to ensure that a competition can be finished, e.g., forecast of bad weather. The procedures for an advancement will be applied when it is proposed to advance an event(s) forward in the schedule to an earlier session or to change a session to an earlier start time.
- 1.5 **CANCELLATION** - A competition that cannot be rescheduled prior to the respective Olympic Games or Paralympic Games Closing Ceremony

The Competition Schedule Change Committee (CSCC) is the body responsible for overseeing and approving changes to the competition schedule during the Olympic Games. Following agreement with FIH, Paris 2024 will make recommendations to the CSCC should any changes be required.

4 EXAMPLES OF DELAY / POSTPONEMENT CAUSES

Circumstances whereby a delay, postponement or cancellation might be implemented can be summarised in four groupings:

- 2.1 **SPORT TECHNICAL** - When the technical parts related to the competition do not meet the IF requirements, and as a result, the event cannot be carried out fairly and equally.
 - If there is major damage to the FOP or competition equipment.
 - A failure of technology/systems required to deliver the event.
 - Late arrival time of players and officials.
 - Accident affecting athletes and officials during the event.

- 2.2 **COMPETITION VENUE** – In the event venue, essential elements and parts may affect the event outside the FOP if they do not operate properly.
- Structural issues of the event venue.
 - Problems with the behavior of the public.
 - Safety and security issues.
- 2.3 **WEATHER** - Where existing or anticipated concerns compromise the fair and safe operation of the event.
- When strong winds affect temporary and permanent structures.
 - Flooding of FOP due to heavy rainfall.
 - Extreme weather events such as lightning or a heatwave.
- 2.4 **EXTERNAL FACTORS** - When information from external sources may jeopardise the safe running of the event. (eg Security concerns, etc).

5 INTERRUPTIONS TO A MATCH

- 3.1 If a Match has to be interrupted or suspended by either the umpire or the Technical Officials, every effort will be made to resume this match as soon as possible (not necessarily on the same field of play or on the same day) following the rescheduling management principles below.
- 3.2 The Match must be completed up to the regulation full time or the completion of shoot-outs as the case may be, the score on the resumption being that at the time the interruption took place. On resumption, Regulation 9 relating to the substitution of players shall apply as though there had been no interruption to the match.

APPENDIX 9

VIDEO UMPIRE

1 POWER TO REFER DECISIONS TO THE VIDEO UMPIRE

- 1.1 The Match Umpires are the only persons who can refer decisions to the Video Umpire either directly or after a request from a team;
- 1.2 Referrals cannot be made as a result of protests, queries or pressure from players, Team Managers or Coaches on any decision. Teams (and their captains) will be held responsible for any violation or abuse of the Video Umpire protocols;
- 1.3 No one other than the Match Umpires, can stop the match to request a referral, e.g., the Video Umpire or Technical Officials at the Technical Table cannot stop a match.

2 UMPIRE REFERRAL

- 2.1 The Match Umpires may refer decisions to the Video Umpire when they are not convinced that they have taken, or are able to take, the correct decision relating to the awarding or disallowing of goals; the award / non-award of penalty stroke decisions; or Misconduct incidents anywhere on the field of play;
- 2.2 Referrals shall only relate to whether or not a goal has been legally scored, or if a penalty stroke has been awarded correctly or not awarded, or if Serious Misconduct has or has not occurred;
- 2.3 The match Umpires are therefore entitled to request the Video Umpire to assist in making decisions which include, but are not restricted to:
 - a whether the ball crossed the goal line (within the area bounded by the goal posts and crossbar)
 - b whether the ball was legally played or touched inside the circle by the stick of an attacker and did not travel outside the circle before passing completely over the goal-line and under the crossbar
 - c whether the ball travelled outside the circle before it entered the goal from a shot by an attacker during the taking of a penalty corner
 - d whether a breach of the Rules has been observed within the attacking 23 metre area in the play leading to the awarding or disallowing of a goal. It is then for the Match Umpire to take any breach into account in reaching their decision
 - e whether an offence has been committed by a defender in the circle which prevents the probable scoring of a goal, or there has been an intentional offence in the circle by a defender against an opponent who has possession of the ball or an opportunity to play the ball
 - f whether any Serious Misconduct, dangerous or reckless foul has been committed, on or off the ball, anywhere on the pitch
- 2.4 The Match Umpire requests Video Umpire assistance using the “television-screen” signal; she/he relays by radio to the Video Umpire whatever information is necessary.

3 **UMPIRE REFERRAL PROCESS**

- 3.1 The Video Umpire calls for as many replays from any camera angle as necessary to reach a decision.
- 3.2 Within the shortest time frame possible, (ideally 60-90 seconds), if it is possible for the Video Umpire to provide advice, then they should use the phrase “I have advice for you” when communicating with the on-field umpire, followed by the appropriate phrase from the list below:
- ‘Goal’
 - ‘No Goal’
 - ‘Penalty Stroke’
 - ‘No Penalty Stroke’
 - ‘Serious Misconduct’ – the Video Umpire advice may include whether a temporary or permanent suspension should be awarded.
 - ‘No Serious Misconduct’
 - plus, advice on any observed breach of the Rules.
 - If it is not possible for the Video Umpire to provide any advice, they should simply use the phrase ‘No Advice Possible’ on its own when communicating with the on-field umpire (for clarity, they should not state “I have advice for you. There is no advice possible”).
- 3.3 If a breach of the Rules is observed and advised to the Match Umpire, it is then for the Match Umpire to take into account the breach in reaching her/his final decision.
- 3.4 In the case of ‘No Advice Possible’ (if the video footage is inconclusive, including through not having the correct replays available, the ball never being in shot in the replays, the footage being of insufficient quality to permit a decision or technical problems with the referral equipment) the original decision of the Match Umpire stands. If there was no decision given before the referral, then the final decision is ‘No Goal’ or ‘No Penalty Stroke’ or ‘no Serious Misconduct’ (depending on the type of referral).
- 3.5 An umpire referral that has already been adjudicated upon may not be the subject of a subsequent team referral.

4 **TEAM REFERRAL**

- 4.1 Each team is allowed one team referral request (which must be made through the Match Umpires) during regulation time in any match subject to articles 5.4a and 5.4b below of this Regulation and one team referral request during a shoot-out competition, subject to articles 5.4a and 5.4b below:
- a team referrals will be restricted to decisions within the 23 metre areas relating to the award (or non-award) of goals, penalty strokes and penalty corners and, during a shoot-out competition, whether a shoot-out should be re-taken. The award of personal penalty cards may not be the subject of a team referral
 - b any team player, on the field of play at the time of the incident, can request a team referral
 - c this player must indicate to a Match Umpire that she/he wishes to use their team referral. She/He must do so **immediately** after the incident or decision which is to be referred by using the ‘T’ signal as well as confirming this verbally to the Umpire

- d the Match Umpires will not disallow any request for a team referral provided the 'T' signal has been used by a player and seen by the umpire
- e the player requesting the team referral must inform a Match Umpire of the exact nature of the decision (or non-decision) that their team wishes to be reviewed within a maximum of 20 seconds
- f if no question is received within 20 seconds the team referral will automatically default to a review of the last decision or non-decision relating to the award (or non-award) of a goal, penalty stroke, penalty corner or re-take of a shoot-out
- g the Match Umpire then requests Video Umpire assistance using the "television-screen" signal, followed by a 'T' signal to denote a team referral; she/he relays by radio to the Video Umpire whatever information is necessary.

5 TEAM REFERRAL PROCESS

- 5.1 The Video Umpire calls for as many replays from any camera angle as necessary to reach a decision.
- 5.2 Within the shortest time frame possible, (ideally 60-90 seconds), if it is possible for the Video Umpire to provide advice, then they should use the phrase "I have advice for you" when communicating with the on-field umpire, followed by the appropriate phrase from the list below:
 - 'Goal'
 - 'No Goal'
 - 'Penalty Stroke'
 - 'No Penalty Stroke'
 - 'Penalty Corner'
 - 'No Penalty Corner'
 - 'Serious Misconduct' – the Video Umpire advice may include whether a temporary or permanent suspension should be awarded.
 - 'Shoot-out to be re-taken'
 - 'No Shoot-out re-take'
 - plus, advice on any observed breach of the Rules
 - If it is not possible for the Video Umpire to provide any advice, they should simply use the phrase 'No Advice Possible' on its own when communicating with the on-field umpire (for clarity, they should not state "I have advice for you. There is no advice possible").
- 5.3 If a breach of the Rules is observed and advised to the Match Umpire, it is then for the Match Umpire to take into account the breach in reaching his/her final decision.
- 5.4 Implications for the retention or loss of team referral rights:
 - a in the event that the referral is upheld the referring team retains its right of referral
 - b in the event of 'No Advice Possible' (if the video footage is inconclusive, including through not having the correct replays available, the ball never being in shot in the replays, the footage being of insufficient quality to permit a decision or technical problems with the referral equipment), the referring team retains its right of referral

- c if there is no clear reason to change the Match Umpire's original decision, the referring team loses its right of referral
- d if the on-field umpire does not agree with the advice given by the Video Umpire and chooses to maintain their original decision, the referring team retains its right of referral.

5.5 A team referral that has already been adjudicated upon may not be the subject of a subsequent referral by the opposing team.

6 FOR UMPIRE AND TEAM REFERRALS

- 6.1 The final decision, including any matter of interpretation, remains with the Match Umpire and not the Video Umpire.
- 6.2 All other decisions remain with the Match Umpires.
- 6.3 Substitutions may not take place during the stoppage of play for a video referral; substitution may take place on the resumption of play subject to the Rules of Hockey.

DEFINITION

In this Appendix "Serious Misconduct" refers to;

- (a) any conduct which may be considered to be a Level 2 or Level 3 offence under the FIH Code of Conduct; or
- (b) any serious and/or physical offence as referred to in the Rules of Hockey; or
- (c) when a player intentionally misbehaves in a serious manner as referred to in the Rules of Hockey

For the avoidance of doubt, (a), (b) and (c) above can be read jointly or separately.

APPENDIX 10

FIH MEDIA POLICY

1 PURPOSE, SCOPE AND APPLICATION

- 1.1 All accredited participants are subject to the IOC Rule 40 of the Olympic Charter conditions and IOC Participation Conditions, which take precedence over the FIH Media Policy.
- 1.2 The International Hockey Federation (*FIH*) is recognised by the International Olympic Committee as the sole ultimate governing body for the sport of *Hockey* throughout the world. *FIH's* purpose is to raise the global status and popularity of hockey. The Media Policy (the *Policy*) is adopted and implemented as part of the *FIH's* strategy to unite the hockey community to reach its ambition - a global game that inspires the next generation.
- 1.3 The Policy aims to assist in the management of the relationship between the accredited media covering *International Events* and *Participants*. Crucially, this *Policy* also assists in maximizing and enhancing the media coverage of *International Events* to help achieve *FIH's* purpose.
- 1.4 Unless otherwise indicated, words in italicised text in the *Policy* are defined terms and their definitions are set out in Article 5 of this policy.
- 1.5 All *Participants* are automatically bound by and required to comply with all of the provisions of the *Policy*. Accordingly, by their participation in a *Match* or an *International Event*, such *Participants* shall be deemed to have agreed that it is their personal responsibility to familiarise themselves with all of the requirements of the *Policy* and acknowledge non-compliance with the Policy may result in disciplinary action being taken against them.
- 1.6 While this *Policy* sets out general guidelines and minimum requirements *FIH* reserves the right to apply flexibility whenever needed, for the benefit of all parties, and to modify them following consultation with the *Participants*.
- 1.7 The Policy incorporates the Social Media Guidelines set out in Article 3 of this policy.
- 1.8 The *National Association* of each participating team is responsible for informing and educating *Participants* about the *Policy* and ensuring that each *Participant's* media (and social media) activity prior to, during and after the *International Event* is in accordance with the *Policy* and does not bring the name of *FIH* and sport of *Hockey* into disrepute.
- 1.9 Each Participant acknowledges the importance of communicating and cooperating with the media in order to enhance the image of *International Events*. The Policy applies to all *Participants* for the duration of the *International Event* (from the start of the Outward Journey until the conclusion of the Homeward Journey).
- 1.10 The *Code of Conduct* came into full force and effect at *FIH* level on 1 May 2016 (the *Effective Date*) and superseded the previous *Policy* as from that date. It may be amended from time to time by *FIH*.

2. MEDIA ACTIVITIES

- 2.1 *Participants*, and in particular, Captains shall participate in media conferences / briefings.
- 2.2 *Participants* shall participate in media activities. Media activities may vary from each *International Event*, but shall include training sessions, school visits, personal appearances, photo opportunities and media conferences / briefings. Still and moving images from these media activities may be used for promotional and broadcast production.
- 2.3 *Participants* shall participate in TV and / or radio interviews pre and post *Matches*, throughout the *International Event*, for promotional activity and international broadcast.
- 2.4 The capturing of team “huddles” may take place before the start of any period of a *Match*
- 2.5 *Participants* may receive requests for half-time interviews, however these are subject to agreement by the respective Team Management and *FIH*.
- 2.6 A compulsory post-Match Mixed Zone or equivalent will be in operation following all *Matches*. It will be managed by *FIH* and is designed for brief commentary on the *Match*, not detailed interviews. The Mixed Zone, or its equivalent, is a managed area where the accredited media have the opportunity to interview players and coaching staff as they leave the match venue. Players and coaching staff are separated from the media by means of suitable barriers. The Mixed Zone opens following the end of the *Match*. The host broadcaster will have priority in terms of access to players and coaches in the Mixed Zone. This is followed by TV and radio rights holders, then broadcast non-rights holders and finally the written press. All players and coaches should leave the match venue through the Mixed Zone, unless otherwise agreed by *FIH and Paris 2024*.
- 2.7 *Participants* will be required to give compulsory flash interviews:
 - a prior to the start of the third quarter of a *Match*
 - b within one (1) minute of the end of a *Match* / Shoot-out, unless it is deemed unreasonable to do so by the *FIH* Event Director
 - c the captains of the two teams shall attend one world feed interview on the field or in close proximity of the changing room immediately after the end of the *Match* / Shoot-out and prior to returning to the changing room
 - d each interview will be conducted in English by the Host Broadcaster’s reporter
 - e *FIH* may put in place a process to select a Player of the *Match* for each *Match*; if this happens the Player of the *Match* will conduct a flash interview after the final whistle / Shoot-out and prior to returning to the changing room
- 2.8 *Participants* shall participate in a Highlights Show, by providing an interview and / or commentary, which will broadcast after the conclusion of the world feed.
- 2.9 *Participants* shall participate in guest slots during live broadcast
- 2.10 *Participants* shall participate in a “Master Class” slot during broadcast. This will provide an opportunity to analyse performances individually and as a team and will take place on non-match days.

- 2.11 Umpires may be required to wear for broadcasting purposes specifically designed cameras and microphones.
